## PREAMBLE

This Agreement between the Board of Trustees of the University System of New Hampshire for Keene State College (hereinafter called the "College") and the Keene State College Education Association, an affiliate of the National Education Association of New Hampshire (hereinafter called the "Association") is made and entered into on June 24, 2010, to set forth agreements reached between the College and the Association with respect to wages, hours, benefits and other conditions of employment for employees in the bargaining unit described in Article I, Recognition, which are effective July 1, 2009.

It is the intent of the parties to encourage harmonious relationships between the Faculty and the Administration, to promote the welfare of the student body, and to ensure continuation of the standards of excellence at Keene State College.

## Article I RECOGNITION

- D. **USNH** University System of New Hampshire.
- E. **Board** USNH Board of Trustees.
- F. **PELRB** New Hampshire Public Employee Labor Relations Board.
- G. **DPEC** Department Peer Evaluation Committee.

## Article III MANAGEMENT RIGHTS

The parties agree that all the rights and responsibilities of the College which have not been specifically provided for in this Agreement are retained in the sole discretion of the College and, subject only to specific limitations in this Agreement, shall include but not be limited to the following:

- A. The right to direct employees; to determine qualifications, promotion and tenure criteria, hiring criteria, standards for work, curriculum; to grant sabbatical and other leaves, and to hire, promote, transfer, assign, retain employees in positions, award reappointments; and to suspend, demote, discharge or take other disciplinary actions against an employee for just cause;
- B. The right to relieve an employee from duty because of lack of work or other legitimate reasons, as stated in Article XIV, Retrenchment;

- C. The right to determine the means, methods, budgetary and financial procedures, and personnel by which the College's operations are to be conducted;
- D. The right to take such actions as may be necessary to carry out the missions of the College in case of emergencies (provided that the College shall subsequently negotiate the effects of such actions on terms and conditions of employment of bargaining unit members);
- E. The right to make rules, regulations, and policies not inconsistent with the provisions of this Agreement and to require compliance therewith;
- F. Notwithstanding the aforesaid rights, the College hereby agrees to consult with the KSCEA before converting any faculty position to PAT status.

**Article IV**  
**ACADEMIC FREEDOM**

The parties agree to abide by the 1940 AAUP Statement of Principles on Academic Freedom. These principles can be summarized as follows:

- A. It is the policy of the College to maintain and encourage full freedom, within the law, of inquiry, teaching, research, and publication. The College cannot fulfill its purpose of transmitting, evaluating, and extending knowledge if it requires conformity with any orthodoxy of content and/or method.
- B. In the exercise of this freedom, the faculty member may discuss his/her own subject in the classroom; s/he may not, however, claim as his/her right the privilege of discussing in his/her classroom controversial matter which has no relation to his/her subject. The College is obligated to protect and defend faculty members from pressure and harassment connected with their academic and scholarly work.
- C. In his/her role as citizen, every faculty member has the same freedoms as other citizens. However, in his/her extramural utterances s/he has an obligation to make every effort to indicate that s/he is not an institutional spokesperson.

Nothing herein shall be construed as an abridgment of rights guaranteed to the individual faculty member by the Constitution of the United States or the State of New Hampshire.

**Article V**  
**FAIR PRACTICES**

The College and the Association agree not to discriminate against any faculty member because of race, color, sex, religion, marital status, national origin, disabilities, political affiliation, sexual orientation, or lawful political activity, veteran status or membership or non-membership in, or lawful activities on behalf of the Association.

The College and the Association agree to comply with the Age Discrimination in Employment Act of 1967, as amended, and applicable sections of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1992.

The College and the Association further agree that they shall not establish a residency requirement for faculty members.

**Article VI**  
**GRIEVANCE AND ARBITRATION PROCEDURES**

- A. It is the objective of the parties to this Agreement to encourage the prompt and equitable resolution of grievances.
- B. A "grievance" is any dispute or difference concerning the interpretation, application, or claimed violation of any provision of this Agreement, or any specific policy incorporated by reference into this Agreement. A grievance may be initiated by a member or a group of members of the bargaining unit or by the KSCEA.

- C. The parties agree that, except as otherwise specifically provided in this Agreement, the orderly process hereafter set forth shall be the sole method used for the resolution of grievances.
- D. If a grievance is filed under this Article, neither the Grievant nor the Association shall file or process any unfair labor practice charge under RSA 273-A:5I(h) alleging that the Agreement has been breached by the College's conduct giving rise to the grievance, or that such conduct is in any way objectionable under law.
- E. A grievance shall be considered to be formally filed when it is submitted to Step One of this procedure.
- F. General Provisions
1. If a grievance is filed by the KSCEA, the KSCEA may initiate the grievance by filing immediately at Step Two.
  2. Failure by the Grievant to comply with the time limitations of Step One shall preclude any subsequent filing of the grievance.
  3. Failure by the Grievant at any step of this procedure to appeal within the specified time limits shall be considered acceptance by the Grievant of the decision rendered at the last step.
  4. Failure by the College at any step to communicate its response within the specified time limits shall permit the Grievant to proceed to the next step. If the Step Two meeting does not take place within the time limits prescribed or within an extension of time mutually agreed upon; and if the failure to convene the meeting within such time limits is demonstrably the result of bad faith on the part of the College; and if the grievance is appealed to Step Three, the College will pay the full cost of the compensation and expenses of the Arbitrator. Any dispute over the identity of the party responsible for the failure to convene the meeting in a timely fashion will be resolved by the Arbitrator.
  5. The time limits in this Article may be extended by mutual agreement.
  6. Either party may choose to stop the clock for any grievance filed between the last day of classes of the Spring Semester and the first day of the next academic year. The clock shall resume on the first day of the academic year.
  7. Any reference to "days" shall mean calendar days, unless otherwise specified.
  8. The filing or pendency of a grievance under the provisions of this Article shall not prevent the College from taking the action complained of, subject however to the final decision on the grievance.
- G. Procedure
1. Informal Consultation  
The Grievant shall attempt to solve his or her grievance speedily and informally by meetings between those directly affected.
  2. Step One - Grievance Consultation  
If this informal discussion has failed to achieve a satisfactory resolution of the differences, the Grievant may request a settlement meeting from the appropriate Dean. The request for such a meeting must be made in writing, with a copy to the KSCEA, and should be made as promptly as possible but in no case shall it be made more than forty-five (45) calendar days after the Grievant has become aware of, or reasonably could have known, the action(s) being contested. The submission should describe the basis of the grievance, the relevant facts, provisions of the Agreement alleged to have been violated, the adjustment sought and documents supporting the grievance. The discussion at this level should be open, informal and directed toward developing a mutually acceptable resolution of the grievance. At his/her option, the Grievant may be accompanied at all such meetings by a representative of the KSCEA. The Dean will have twenty-

one (21) calendar days in which to resolve the dispute and notify the Grievant and the KSCEA of the status.

- a. Any resolution reached at this stage of the procedure will be non-precedent-setting and may not be cited by either party in arbitration as the basis for the resolution of any problem or grievance which may arise thereafter.
- b. In the event both the KSCEA and the College agree that the resolution reached at this stage resolves a continuing or recurring issue in a mutually satisfactory way, they may certify in writing that the resolution will be precedent-setting.

### 3. Step Two - Grievance Conciliation

If the problem is not resolved to the grievant's and the KSCEA's satisfaction during the Grievance Consultation, the grievance may be submitted to the Provost.

- a. The grievance may be filed only after efforts to resolve the grievance at the Grievance Consultation have been exhausted and must be filed no later than ten (10) days following the Dean's notification of the grievant and the KSCEA of the resolution, unless an extension of time for filing has been agreed upon between the grievant and the College.
- b. The Provost will arrange a conciliation meeting to take place within thirty (30) calendar days of the receipt of a Step Two grievance; said meeting will include the grievant, a representative of the Association and representatives of the College appropriate to the problem to be addressed. The Provost will distribute copies of the grievance filings to all participants.
- c. The Grievant, the KSCEA and the College have the responsibility to provide to the conciliation group documents which can be reasonably expected to contain evidence bearing on the case or which can be reasonably expected to lead to the discovery of such evidence. The college will coordinate the acquisition of such documents and prior to the initial meeting of the conciliation group, if possible. All documents shall be provided within fourteen (14) days after the initial meeting of the conciliation group. Additional relevant evidence not introduced at this Step may be introduced at Step Three.
- d. The conciliation group will meet to review the grievance and attempt to fashion a mutually acceptable resolution. The meetings shall be non-adversarial and each party will extend serious consideration to the views of the other parties. All parties will make available to the others all relevant documents and other evidence bearing upon the grievance.
- e. If the parties are able to reach consensus for the resolution of the grievance, the terms of that resolution, including any remedy agreed upon, will be recorded in writing and will be implemented promptly and in good faith by all parties. If consensus cannot be reached this will be documented in writing.
  - i. Any resolution reached at this stage of the procedure will be non-precedent setting (except as noted in G.3.e.ii. below) and may not be cited by either party in arbitration as the basis for the resolution of any problem or grievance which may arise thereafter.
  - ii. In the event both the KSCEA and the College agree that the resolution reached at this stage resolves a continuing or recurring issue in a mutually satisfactory way, they may certify in writing that the resolution will be precedent-setting.

### 4. Step Three - Arbitration

- a. Any grievance which has not been satisfactorily adjusted under the Grievance Procedure may be submitted for settlement under the Arbitration provisions of this Article.

- b. An appropriate grievance as specified in Section B of this Article may be brought to arbitration by the Association only if written notice is served on the College within thirty (30) calendar days of the written documentation of failure to reach consensus at Step Two.
- c. Arbitration shall be conducted by an impartial Arbitrator mutually chosen by the parties. At the option of either party, a Board of Arbitration will be appointed instead, consisting of one (1) representative selected by the KSCEA, one (1) representative selected by the College, and an impartial Chair mutually chosen by the parties.

The procedure for arbitration will be as follows:

- i. An Association representative and a College representative shall communicate promptly to choose an Arbitrator but no later than ten (10) calendar days from the date of the demand for arbitration. The American Arbitration Association shall serve as the administrator for the parties. If no selection can be made within such ten (10) day period, then either party may request lists from the American Arbitration Association, and selections shall be made in accordance with the Rules of that Association.
  - ii. If the College contends at the hearing that the grievance under consideration does not raise an arbitratable issue, and the College has explained its position to the Association at least thirty (30) calendar days prior to the hearing, the Arbitrator or the Board of Arbitration shall first hear and determine separately in accordance with paragraph (d) below, the question of whether an arbitratable issue has been presented. If the Arbitrator or a Board of Arbitration decides that the issue or issues are arbitratable, then the Arbitrator or Board shall have the authority to further hear and determine the merits of the grievance.
  - iii. Hearings and post-hearing activities shall be conducted in accordance with the Voluntary Labor Arbitration Rules of the American Arbitration Association.
  - iv. When a Board of Arbitration is used, the decision of a majority of the Board shall be the decision of the Board of Arbitration. Neither the Arbitrator nor any Arbitration Board shall have the power to add to, subtract from, modify, or disregard any of the provisions of this Agreement, nor shall the Arbitration or any Arbitration Board substitute their judgment for that of the College with regard to any grievance based upon a challenge of management right, subject to the provisions of this Agreement. In deciding a case before them, an Arbitrator or any Board of Arbitration may review whether or not the College has met a specific standard delineated in the Agreement alleged to have been violated.
  - v. Each party shall bear the expense of preparing and presenting its own case. The compensation and expenses of the Arbitrator or the impartial Chair of any Board of Arbitration shall be borne equally by the parties.
- d. Both parties agree to abide by the decisions of the Arbitrator or the Board of Arbitration but shall retain whatever rights they have under the law to challenge the decisions of the Arbitrator or the Board of Arbitration. Any appeal shall be filed within thirty (30) days of notice of the arbitration decision.
  - e. Unless otherwise mutually agreed, each arbitration hearing shall deal with no more than one (1) grievance.

**Article VII**  
**PERSONNEL FILES**

- A. A personnel file exists as a record of an individual's personnel history, achievements, and contributions to the institution. The uses to which this file is put are important to the faculty member as well as the System. For this reason, personnel files are highly personal and confidential records, and it is important for the faculty member to know what is in his or her file. Authorized personnel and the faculty member determine the

content of these files and both may be users of them. (“Authorized personnel” includes those designated by the institution and by the University System.)

- B. All materials within the personnel file, following enactment of this policy, are available for inspection and copying by the individual concerned, with the following exception: materials solicited prior to employment, such as letters of recommendation and files from previous institutions or employers. The individual unit member may make copies of any materials in his/her file at the applicable college rate.
- C. Unsolicited letters, comments or complaints about faculty behavior may or may not end up in the personnel file. Once a complaint has been received, discovery of the merits of the complaint, education of the faculty member, and protection of the complainant are the highest priorities. The faculty member shall be informed within thirty (30) days of such a complaint. Complaints shall be discussed between the Dean and the faculty member. In the case of fear of retaliation, protection of a student complainant shall require Dean discretion and anonymity until the end of the semester. If the complaint is found to have substantive merit, then a written complaint shall be placed in the personnel file in accordance with the provisions of this Article. An individual shall have the right to respond to any materials placed in the personnel file, and such response shall be made part of the personnel file appended to the original material. No material reflecting adversely on an individual’s performance or related to any suspension, discharge or other disciplinary action against an individual shall be placed in the personnel file until the individual has been given a copy or notified of the material.
- D. Third parties are not entitled to inspect files. Information available to third parties is limited to name, position, salary and length of time of University System employment. (A third party is defined as a person or group other than the staff member, his/her designee, or an appropriate official of the University System or institution.) Officials of federal or state agencies may have access to personnel files only with a court order or by approval of the System legal counsel in accordance with federal or state regulations. If such access is authorized, each individual so affected will be informed.
- E. The personnel file shall include only pertinent materials and the file is subject to the above conditions. The personnel file is maintained by the campus Human Resource Office. Special files or other materials shall not be kept. Letters of caution, commendation, consultation and reprimand are considered to be of decreasing significance with the passage of time. Current information is given far greater weight than historical data. Should an individual desire to have materials removed from the personnel records which s/he feels to be incorrect or no longer relevant, s/he has the right to request removal. Such a request for removal shall not be unreasonably denied.
- F. Medical records, including mental health records, shall not be part of the employee’s regular personnel file. Review of medical records, including mental health records, shall be limited to the necessary benefit administration personnel and the Provost. Any other access shall be only with prior approval of the employee and/or in accordance with Section D of the Article.
- G. No part of this policy shall be in violation of RSA 91-A, New Hampshire’s “Right to Know” Law or RSA 275:56. Should new statutes become effective with regard to personnel files and records, the University System will react appropriately to comply with those statutes and will notify all personnel accordingly.

## **Article VIII**

### **EVALUATION PROCEDURES**

The evaluation of the professional activities of all faculty in a public institution of higher education is essential for the maintenance of academic and professional standards of excellence. The purpose of faculty evaluations shall be to enhance the improvement of individual professional performance and to provide a basis for various personnel decisions. The parties have created guidelines for promotion and tenure and recommendations for promotion and tenure files. These are included in the KSC Faculty Handbook.

A comprehensive system for faculty evaluation effectively considers materials from students, peers, the immediate academic supervisor and from the faculty member himself/herself.

Faculty evaluations will include: A performance evaluation process for the purpose of professional improvement and contract renewal, and an evaluation process for promotion and tenure. Performance evaluation and recommendations for tenure and promotion in rank will be based on consideration of the following criteria:

1. Teaching Effectiveness
2. Scholarship (Scholarship may include relevant professional activity)
3. Service to the College and students
4. When itemized in a letter of appointment, administrative responsibilities

The evaluation for promotion and tenure will utilize the performance evaluations as part of the materials reviewed. Evaluations of a junior faculty member shall address progress toward meeting criteria for tenure and shall address progress toward meeting criteria for promotion for those who plan to apply for promotion as indicated in section B.10.a below.

A. Annual Information and Self-Evaluation Reports and DPEC Reports

At the completion of each academic year all faculty are required to submit an Annual Information and Self-Evaluation Report to their department chair or interdisciplinary program chair. This report is forwarded to the Dean and shall become a part of the faculty member's personnel file. The guidelines for this Report are located in the KSC Faculty Handbook.

B. Performance Evaluations

1. Each September each department shall select a Department Peer Evaluation Committee (DPEC) from among the tenured faculty for each faculty member in his/her first or third year to be evaluated during the spring of that year. For departments having more than one faculty member to be evaluated, more than one DPEC may be selected. The size and composition of the committee(s) and the manner of selection of the members and chair shall be determined by the members of each department. The department, in consultation with the faculty member, is encouraged to designate a tenured bargaining unit member from another department to serve as a member of his/her DPEC for the purpose of conducting a more comprehensive evaluation.
2. Each department shall operate under the Guidelines and Procedures for DPEC Evaluations which the KSCEA shall issue with each contract (See KSC Faculty Handbook). These Guidelines shall provide minimum procedures that each DPEC shall follow in order to ensure a full and fair deliberation of a faculty member's case. Nothing in the Guidelines shall contravene any provision of this Agreement. The Guidelines should address procedural issues only and are not intended to address evaluative criteria, standards of review, the weight to be given to criteria or other substantive matters.
3. Departments will provide untenured faculty members with department-specific criteria and standards of review. Interdisciplinary Programs will provide departments and faculty with criteria and standards of review, when appropriate. Such criteria and standards are considered advisory in nature. Department and interdisciplinary program standards are designed to supplement and cannot contradict or supersede the contract or faculty handbook. (By December 2010, each department will publish its criteria and standards of review consistent with the Memorandum of Understanding on Page 41. Each department will identify any changes in criteria or standards of review, with changes applicable in 2011.)
4. The evaluation process begins with the individual faculty member, who is responsible for keeping and providing to DPEC complete and accurate records of all activities related to his/her professional growth and development.
5. DPEC Performance Evaluations: The DPEC will submit a written performance evaluation to the dean for each faculty member in his/her first and third years of appointment.
  - a. For faculty in their first year of appointment, the Chair of the DPEC or designee will meet with the faculty member at the end of the first semester to informally review the faculty member's performance during the first semester.

- b. DPEC reports shall have developmental and evaluative goals. Clear statements assessing progress toward promotion and tenure serve the best interests of both the faculty member and the College. DPEC may recommend non-renewal.
  - c. A DPEC report should be substantive and specific in addressing the faculty member's performance. In performance evaluations, as opposed to tenure and promotion evaluations, an important goal is faculty development; therefore, documented weaknesses should be accompanied by suggestions for improvement. A DPEC report will follow the template published with DPEC guidelines in the Faculty Handbook.
  - d. The faculty member being evaluated will sign the DPEC report to indicate awareness of the content. The faculty member shall be provided a copy of, and have the opportunity to respond to, any material used in DPEC deliberations that s/he did not submit. To the extent that the faculty member disagrees with the DPEC report s/he may attach a statement of disagreement.
  - e. DPEC reports, which are advisory in nature, are due in the dean's office by June 1.
6. In the extraordinary event that DPEC fails to present a report by the deadline, the faculty member may, within the next two weeks, add up to three individual evaluation letters from department colleagues to his/her materials.
7. Dean Performance Evaluations: Deans will provide performance evaluations for faculty in their schools/library by July 1 of a faculty member's first and third year, or in any year in which a non-mandatory DPEC is completed.
- a. In making his/her evaluation and recommendations, the Dean will consider the DPEC reports, course syllabi, student evaluations, his/her assessment of teaching effectiveness, scholarship (which may include relevant professional activity), as well as service to the College and students, including academic advising, in the development of the overall performance evaluation. When appropriate, the Dean will also evaluate administrative responsibilities pursuant to Article XI.G.2 If the Dean disagrees with the DPEC report, his/her report shall explain why.
  - b. The Dean shall apprise each faculty member and the DPEC Chair of his/her evaluation and the Dean's recommendations before the evaluation report is submitted to the Provost.
8. A copy of the performance evaluation shall be placed in the faculty member's personnel file with all pertinent documentation.
9. The faculty member, department or Dean reserves the right to initiate the evaluation process for any year in which the faculty member is not scheduled for a performance evaluation. If the department or Dean initiates the process, then the Dean will notify the faculty member.
10. Performance Evaluations for Tenured Faculty
- a. Tenured assistant and associate professors who plan to apply for promotion to the next highest rank shall be evaluated every two (2) years. All other tenured faculty shall be evaluated once every five (5) years. A rotating schedule for this process will be established by each department in consultation with its Dean. However, tenured faculty applying for promotion must have requested to be evaluated within the last two (2) years prior to application.
  - b. Subsequent to promotion to Professor, faculty members shall write a reflective plan that includes a plan for their continued development in teaching, service and scholarship. This

plan, which shall be completed within the first year after promotion to Professor will be submitted to the dean.

c. Tenured faculty who are to be reviewed will be reviewed in the fall semester.

11. The following departments shall be recognized for the purpose of peer evaluation, including the establishment of guidelines and assignment of Chairs.

<i>1. Art</i>	<i>13. History</i>
<i>2. Biology</i>	<i>14. Health Sciences</i>
<i>3. Chemistry</i>	<i>15. Library</i>
<i>4. Communications/ Philosophy/ Journalism</i>	<i>16. Management</i>
<i>5. Computer Science</i>	<i>17. Mathematics</i>
<i>6. Economics/ Political Science</i>	<i>18. Modern Languages</i>
<i>7. Education</i>	<i>19. Music</i>
<i>8. English</i>	<i>20. Physical Education</i>
<i>9. Environmental Studies</i>	<i>21. Psychology</i>
<i>10. Film</i>	<i>22. Sociology/ Anthropology</i>
<i>11. Geology/Physics</i>	<i>23. Technology, Design, &amp; Safety</i>
<i>12. Geography</i>	<i>24. Theatre/Dance</i>

12. It is expressly understood that neither the Association nor any faculty member may file a grievance under Article VI regarding any action of DPEC or any faculty committee under this Section.

13. Upon the recommendation of the Provost, the President shall make final decisions on personnel matters arising from performance evaluations.

14. Performance-based non-renewal

a. Performance-based non-renewal decisions will be based upon consideration of the three criteria of teaching effectiveness, scholarship (which may include relevant professional activity), and service to the college and students, including academic advising, as well as administrative responsibilities where appropriate. Such decisions may also include a consideration of the disciplinary record of the faculty member.

b. A non-tenured faculty member who is notified of non-renewal of contract may grieve the decision based upon allegations that the procedure for non-renewal has been violated or that there has been a violation of Article V, Fair Practices, or that the decision was arbitrary or capricious. However, only a faculty member with more than two years of service at the College may have an arbitrator review whether or not the decision was arbitrary or capricious.

- c. Pursuant to Article X.E.1, Faculty with fewer than two (2) years of service may be given one (1) semester's notice of non-renewal. The notice must be postmarked no later than January 10 or July 1.

C. Evaluation for Promotion and Tenure

1. By May 31, the Provost will inform those faculty who are eligible for promotion and/or tenure as defined in Articles IX and X. A copy of this notice will be sent to the Chair of the Faculty Evaluation Advisory Committee (FEAC) and to the Chairs and Deans. The Provost will inform each of these faculty members of the promotion and tenure review timetable and FEAC will inform the faculty members of the materials it requires for review.
2. Individuals to be considered for promotion and/or tenure must inform their Chair before September 1 of the year in which they will be considered so their department can constitute a DPEC.
3. The faculty member shall submit his/her materials for consideration for tenure and/or promotion to DPEC. After the faculty member receives a copy of the DPEC recommendation regarding promotion, s/he may withdraw the application within seven (7) calendar days. If the application is not withdrawn by this deadline, the review process will go forward to completion. If the application is withdrawn, the DPEC letter must be included in subsequent applications.
4. The file and the DPEC recommendation will be made available to the Dean who will write a separate recommendation and forward it to the Provost. FEAC will consider the file and DPEC recommendations and make its summary written recommendation available to the Provost with the complete file. A copy of each recommendation will be sent to the individual faculty member when it is forwarded. In cases where the FEAC and the DPEC have disagreed in their final recommendations on a candidate, the Provost will convene a meeting of representatives of the DPEC and the FEAC, along with the appropriate Dean (who must also have given his or her recommendation) to discuss the candidate's application. This meeting will occur without the candidate being present. This meeting will be held to assist the Provost in arriving at his or her own independent recommendation and to allow a sharing of viewpoints among DPEC, the Dean and FEAC.
5. FEAC shall be composed of eight (8) tenured faculty members from the upper three (3) ranks in accordance with a selection process determined by the KSCEA as outlined in the KSC Faculty Handbook. Each FEAC member will serve a two-year term. Terms will be staggered so half the membership of FEAC will be replaced every year.
6. A five-member panel of FEAC members evaluates individual faculty members for promotion and tenure. The procedure for selecting this panel is outlined in the KSC Faculty Handbook. The Committee shall operate under the Guidelines on Procedures for FEAC Evaluations, which KSCEA shall issue with each contract (See KSC Faculty Handbook). These Guidelines shall provide the minimum procedures that FEAC shall follow in order to ensure a full and fair deliberation of a faculty member's case. Nothing in the Guidelines shall contravene any provision of this agreement. The Guidelines should address process issues only and are not intended to address evaluative criteria, standards of review, the weight to be given to criteria or other substantive matters. Each FEAC is free to supplement such Guidelines should it deem it necessary provided it is in a manner consistent with the Guidelines.
7. The Provost will inform FEAC of the deadline for submission of FEAC's recommendations, which are advisory in nature. If these are not submitted by the stipulated deadline, the College will proceed

without committee input. The faculty member's personnel file will be available for review by FEAC.

8. The College shall not arbitrarily reverse FEAC recommendations on promotion and tenure.
9. It is expressly understood that neither the Association nor any faculty member may file a grievance under Article VI regarding any action of the FEAC or any other faculty committee under this Section.
10. Recommendations for tenure will consider the program and enrollment needs of the College as addressed in Article XIV, Retrenchment.
11. The Provost will give his/her recommendations regarding promotions and tenure to the President of the College for review before transmittal to the Board of Trustees for final consideration. A copy of the Provost's recommendations will also be given to the faculty member and to the Chair of FEAC.

**Article XI**

- A. It is agreed by the parties hereto that the provisions of this Article are intended for the sole purpose of maintaining or enhancing the academic quality of the College.
- B. Customary Teaching Assignments
1. For all full-time teaching faculty, the normal teaching assignment shall be twenty-four (24) academic credit hours for the academic year.
    - a. Normally, twelve (12) academic credit hours will be assigned in any one (1) academic semester.
    - b. Laboratory, studio, clinic and activity courses shall be equated on the basis of two (2) contact hours per week being equal to one (1) academic credit hour; however, in no instance will contact hours per academic year exceed thirty-six (36) hours, unless this maximum limit is waived by an individual faculty member.
    - c. Beginning with the 2007-08 academic year, laboratory, studio, clinic and activity courses shall be equated on the basis of three (3) contact hours per week being equal to two (2) academic credit hours; however, in no instance will contact hours per academic year exceed thirty-four (34), unless this maximum limit is waived by an individual faculty member.
  2. Preparations
    - a. No more than three (3) preparations per academic semester shall be assigned to a faculty member. Appropriate adjustments will be made for laboratory, studio, clinic, activity, performance groups and team taught courses which are offered for only a portion of a semester or are related to other lecture preparations.
    - b. Student teaching supervision or internship supervision will not be counted as a preparation.
    - c. In a team teaching situation, each teacher will be credited with a preparation.
- C. From time to time faculty may be assigned coordination duties related to certain aspects of the academic program.
1. Certain coordination duties shall be granted credit hour equivalents according to the following schedule:

<i>Credit Hour Equivalents per Semester</i>	
<i>Student Teaching</i>	<i>eight (8)</i>
<i>Theatrical Design</i>	<i>four (4)</i>
<i>Technical Theatre</i>	<i>four (4)</i>
<i>ITW and IQL</i>	<i>four (4)</i>

2. If any other such academic coordination duties are added during the life of this Agreement, the appropriate equivalent shall be agreed to by the parties.

D. Supervising of Student Teachers

1. Faculty members assigned to supervise student teachers shall receive four (4) academic credit hours for each one (1) to eight (8) students they supervise.
2. No one shall be assigned more than twenty-four (24) students during any one (1) semester.

E. Independent Study

Effective January 1, 2010, all independent studies for the Fall and Spring semesters shall be compensated at the rate of \$40 per credit hour. The faculty member must receive Dean approval for such independent study work prior to undertaking such work. The Deans will work with the departments to develop criteria for independent studies.

F. Overload

1. Overload assignments are not encouraged for KSC faculty and are especially discouraged for faculty whose assignments include reassigned time. Any additional assignment shall be designated overload.
  - a. Overload assignments may be scheduled according to department/divisional needs and with the consent of the faculty member, and shall result in either compensation as specified below or reduced workload in the subsequent semester.
  - b. For each academic credit hour above the normal 24 credit hour load, effective January 1, 2010, all faculty shall be compensated at the rate of \$1100 per credit hour.

G. Additional Reassigned Time

1. Options exist for faculty to be assigned or to apply for reassigned time. The potential purposes for reassigned time can be wide-ranging, but will normally be related to the three areas of teaching effectiveness, scholarship and related professional activities and service to the College, or administrative responsibilities as described in this section. All individual or departmental/program requests for reassigned time, whether for a semester, year, or longer, must be submitted to the Provost and may be approved at his or her discretion. All such reassignments will be documented in an appointment letter describing the assignment and its duration. The KSCEA President shall receive a copy of each letter of reassignment.

Examples of reassigned time include but are not limited to:

- a. A faculty member may apply for a one-course reduction in teaching load for the purpose of improving teaching. Only one such reduction will be granted every seven years.
  - b. A faculty member may be assigned, or may request, partial or full reassignment for purposes of leadership in a special role, for a special project or for coordination duties related to certain aspects of the academic program. Such administrative projects will be considered in the faculty member's overall workload for the year. However, it is understood that these duties may also be assigned to non-unit personnel.
  - c. A faculty member may request reassigned time for scholarship or research. When granted, such time will not be considered "significant College sponsorship" toward the development of any intellectual property developed during that time.
2. In some circumstances, a faculty member will be hired or will move into a position that has significant ongoing administrative responsibilities along with significant modifications to teaching, scholarship and service expectations. In these instances, the appointment letter (upon hire

or upon assignment to this role) will clearly delineate the balance of expectations for the specific appointment. A copy of the letter will be shared with the KSCEA President, who may discuss the appointment with the Provost.

3. The College and the KSCEA will decide by mutual agreement which reassigned time instances should be included in the contract.
4. One course of reassigned time shall be granted to the Chairs of the Senate, the Academic Overview Committee, and the FEAC per year. The President of the KSCEA shall receive two courses of reassigned time per year. Two courses of reassigned time for the Fall semester only shall be given to the Curriculum Committee at least one of which will be given to the Chair of that Committee.

#### H. Office Hours

1. Faculty members shall maintain a minimum of three (3) office hours per week on three (3) different days per week during the regular semester.
2. Faculty will post and maintain their office hours and are encouraged to have evening office hours at least one (1) day per week to accommodate non-traditional students.

#### I. Academic Advising

1. Each department or interdisciplinary program that offers a major shall work with the Elliot Center to develop an equitable and effective advising program. The Provost or his/her designee shall work with the KSCEA to issue College-wide basic standards and guidelines for the development of these advising programs. Such guidelines will include examples of what might be included in an advising program, such as peer advising and course-based advising. The standards and guidelines will also indicate what administrative resources will be available to assist in developing and implementing these programs.
2. As part of these advising programs, each faculty member shall expect to be assigned student advisees and/or comparable service to students, such as advising student organizations or student honor societies. In no event shall the number of advisees assigned to any faculty member exceed twenty-one (21) students without the consent of the faculty member.
3. It is expected that every department and interdisciplinary program that offers a major will have an initial advising program in place no later than February 1, 2008.

#### J. Librarians

1. It is recognized that the responsibilities of the faculty librarians are varied and depend upon the particular position held. Library responsibilities may include but not be limited to reference services, circulation services, technical services, selected teaching assignments in library subject matters, supervision of library staff employees and students, and activities that foster professional growth. As professional employees, the time devoted to such activities cannot necessarily be quantified in terms of a fixed number of hours per week.

It is also recognized, however, that the library must be appropriately staffed throughout the year in order to serve faculty and students and that consequently faculty librarians may be assigned specific hours of work in order to meet this requirement. Such staffing is the responsibility of the Library Dean who will exercise such responsibility through a collaborative process with faculty librarians, while retaining the right to make final assignments. In addition, the College may hire faculty librarians to work primarily evenings or weekends, provided such a schedule is agreed to at the time of employment

2. During the course of the fiscal year, library faculty will be entitled to request and will be granted the following number of scholarship days:

-- Non tenured library faculty: 10 days  
-- Tenured library faculty: 7 days

Such scholarship days must be used for original research, scholarly writing, visiting a collection or other scholarship related activity. They are not to be used simply to maintain currency in the faculty member's field, nor are they to be used for attending conferences, workshops, classes, etc. that are currently supported.

There is no requirement that a faculty member must request such days. Unused days will not roll over from year to year

Any such days will be scheduled by the Dean of the Library in consultation with the faculty member and taking into account the staffing needs of the library. Requests for such days should be made with at least 30 days prior notice. Any change from such scheduled days must be approved by the Dean.

Such days will normally be scheduled during times when classes are not in session. As staffing permits, however, the Dean may approve such scholarship days during other times.

3. The KSCEA and the College further agree that they will assess how this new provision is operating after two years and may mutually agree to modify the scholarship days.

K. In keeping with the traditions of a mature higher education community and in accord with our mission, the College and the KSCEA strongly encourage faculty participation in important ceremonies, events and tournaments. These include but are not limited to: Opening Ceremonies; All-College faculty meetings; Honors Convocations; the Academic Excellence Conference; Commencement and organized alumni visitations.

L. The teaching responsibilities and other duties of each faculty member as specified in this Article will be assigned by the Deans, subject to the approval of the Provost.

M. For each academic course taught by the faculty in the summer of 2010 and summer of 2011, the faculty member will be paid \$1225 per credit hour. Full compensation shall be paid when classes have six (6) or more students. Classes with 5 or 4 students will be prorated at 5/6 and 4/6 respectively. Classes with 1-3 students will be compensated at the independent study rate per student. Independent study rate shall be \$125 per credit (\$500 per 4-credit course).

In addition, the College will set aside \$30,000 to be used over the life of this Agreement to support professional development in connection with the College's summer programs.

N. Department Chairs

1. Each of the departments listed below will have a department Chair to serve as the academic leader of the department and to facilitate communication and operations between faculty and the deans. All department chairs shall be full time faculty.

2. Except in unusual circumstances, Chair duties shall be confined to the academic year. Such circumstances may include, but are not limited to, such activities as summer search committees, responding to unanticipated staffing needs, special equipment purchases, and the like.

3. Chair Responsibilities

The chair is the academic leader of the department and, among other duties and responsibilities, serves as the liaison between the department and the administration.

The College shall provide administrative support to enable the chair and the department to efficiently and effectively fulfill responsibilities and expectations. While other faculty may assign work to administrative assistants, the chair has first priority on the use of such assistants.

As part of their service responsibilities, faculty shall cooperate with the chair in making sure department responsibilities are carried out. The chair delegates, oversees and facilitates the

execution of these general departmental responsibilities. Such department responsibilities include but are not limited to:

- a. Conducting peer evaluation in a timely manner in accordance with the collective bargaining agreement
- b. Maintaining and updating an academic advising plan
- c. Curriculum planning and program assessment
- d. Coordinating library acquisitions based upon department allocations
- e. Maintaining a liaison with the Elliot Center and developing a process for determining transfer credit, course substitution, and waivers for major and minor requirements
- f. Responding to inquiries about department programs from current and prospective students both individually and in open houses

The chair's responsibilities also include the following specific duties:

- a. Call, preside at and keep records of department meetings
- b. Manage the department budget
- c. Attend College-wide chair meetings and other administrative meetings. This shall include an annual meeting with the Dean to discuss department concerns and faculty service contributions.
- d. Designate faculty as department representatives and for service on College committees
- e. Convene and oversee screening committees for hiring new faculty in accordance with College policies and report departmental recommendations in a timely manner
- f. Develop and monitor teaching schedules arranged in accordance with College guidelines and the programmatic needs of students
- g. Convene and oversee department committees
- h. Organize and oversee DPECs. Ensure that DPECs are convened; that appropriate deadlines are established and that DPEC reports are prepared and submitted in a timely way. In accordance with Article VII, receive and review the DPEC reports to ensure that they reflect contract and DPEC guidelines and reflect consistent evaluation methods and standards.
- i. Advise faculty members of the receipt of any complaint of a student and make efforts to resolve student/faculty disputes before such matters reach the Dean, consistent with established College processes for such complaints.
- j. Provide input to the administration in the evaluation of administrative assistants.
- k. Recommend the hiring and retention of adjuncts; be aware of and follow the provisions of the collective bargaining agreement between the College and the Adjunct Association as it applies to them; follow any evaluation responsibilities for chairs delineated in the collective bargaining agreement between the College and the Adjunct Association. (See interpretative letter of understanding).

As part of the College's preparation for any renegotiations of the adjunct agreement, the chairs will be consulted as to any suggestions for change, including any changes to the evaluation system.

---

*Interpretative letter of understanding*

The parties agree to the following interpretation of the chairs' evaluation responsibilities under the Adjunct Association collective bargaining agreement.

1. Chairs shall read and review the student evaluations of all adjuncts in their department each year but are not required to submit any written reports on such evaluations, except as may be required in performing the periodic formal evaluations provided for in Article 11 (G) and (H) of the Adjunct Association contract.
2. It will be the responsibility of the Dean to see that the student evaluations are collected from each adjunct and to maintain copies of such evaluations on file. The Dean's office will provide the chair with copies of all such evaluations for the chairs' review after they are collected at the end of each semester
3. Chairs are responsible for receiving and reviewing the syllabi and all other written materials relating to performance that may be submitted by or about an adjunct faculty member or oral commentary or complaints. However, chairs are not required to submit any written reports about such materials except as may be required in performing periodic formal evaluations provided for in Article 11 (G) and (H) of the Adjunct Association contract.
4. Chairs will perform classroom observations of adjuncts upon the request of the adjunct. Chairs have the discretion to observe an adjunct's class whenever there is a concern about the adjunct's performance. (Article 11 (F))
5. Chairs will follow the formal evaluation provisions of Article 11 (G) and (H) of the Adjunct Association contract.
6. With regard to the evaluation of non-unit adjuncts in their first four semesters, no formal written evaluations or reports by the chair will be required. However, each chair will read and review any student evaluations, will review the performance of such adjuncts and will provide his or her recommendation to the Dean as to whether such an adjunct should be appointed to a fifth semester of work.
7. It is understood the chair may from time to time responsibly delegate some of these evaluative functions to other members of the department, provided the chair does so in a manner that does not conflict with any provision of the Adjunct Association contract. Nonetheless, the chair carries the final responsibility for ensuring that all of these duties vis a vis the adjuncts are carried out.

---

4. Eligibility and Selection

- a. Eligibility to be Chair: Any full-time, tenured faculty member eligible to vote for a Chair in the department is eligible to be Chair after two (2) years of service in the department. No person may be elected or appointed Chair without his/her consent.
- b. Voting members: Bargaining unit faculty. However, it is understood that a 60% majority of the bargaining unit faculty in any department may decide to allow other non-unit members the right to vote.
- c. The Chair is elected by a majority of the voting members of a department. This procedure applies to the election of interim or acting Chairs.

In the event there is no agreement in the department, the Dean shall have the right to appoint an interim Chair for a period not to exceed six (6) months, provided, however, that the person shall not be an individual rejected by the voting members of the department. If

at the expiration of this second period of time the department has still not agreed upon a new Chair, the Provost, or his/her designee, will assume the Chair's functions for that department until such time as the department can agree upon and elect a Chair.

- d. The Chair shall be elected no later than the end of the Fall semester with an effective date of the appointment the upcoming July 1. Effective July 1, 2007, newly elected Chairs shall normally serve three (3) year terms with a limit of two (2) consecutive terms.

5. Removal of the Chair

Non-performance. When the department Chair is not properly performing his/her duties in accordance with this Article, the Dean may remove the Chair from office. Prior to such a removal, the Chair shall be advised in writing of the reasons for the proposed removal, and shall have sufficient time to respond, in writing, to the Dean prior to a final decision being made.

Recall. The majority of the voting members of a department may request that the Dean remove the Department Chair and the Dean may, in his/her sole discretion, take such action. Only under exceptional circumstances would a Dean not honor a majority vote of a department for the removal of a department Chair. The request from the majority of the voting members must be signed by those faculty members making the request, and must contain reasons for the request.

A copy of the removal request will be provided to the Chair, and sufficient time will be allowed for the Chair to respond, in writing, to the Dean prior to his/her decision for removal.

When such action is taken by the Provost, a special election must be held under the terms described above until the next regularly scheduled department election.

6. Evaluation of the Chair

Performing the duties of Chair shall be considered service to the College for purposes of promotion and tenure. Specific evaluations of Chairs (other than election and/or removal from office as described above) shall not be conducted.

7. Reassigned Time for the Department Chairs

See the following chart at the conclusion of Article XI.

8. Stipend

All department chairs will receive an annual stipend of \$4000.

9. Seat capacity (the number of students that may enroll in a class), including ISP courses, are set by departments in consultation with the dean. In the event there is disagreement between the department and dean, the seat capacity shall be set by the Provost after consultation with the parties. The Provost will not arbitrarily determine the seat capacity in a course.

Chairs will consider equity of workload (number of students taught per faculty member) among department faculty when making course assignments and schedules.

The parties agree that the distribution of faculty workload needs to be fair and equitable. The College and KSCEA will continue to discuss clear strategies that will provide this equity.

10. Additional Provisions

- a. Professional development opportunities and training of value to the Chairs will be encouraged by the Provost's office. The College will provide a one time amount of \$500 to faculty serving their first term as department chair. This money may be used by the chair to purchase equipment for the department (College will retain ownership of such equipment) or may be used by the chair to attend workshops or conferences that will assist the chair in developing his/her leadership skills.

- b. Reassigned time:

Chairs Reassigned Time Formula

A	0.00 to 3.99	None	n/a
B	4.00 to 13.99	2 courses (8.0)	10

O. Interdisciplinary Program Chairs

- Each interdisciplinary program identified below will have a program chair to serve as the academic leader and to facilitate communication and operations between faculty and the deans. All program chairs shall be full time faculty.
- Except in unusual circumstances, program chair duties shall be confined to the academic year. Such circumstances may include, but are not limited to, such activities as summer search committees, special equipment purchases, and the like.

3. Program Chair Responsibilities

The program chair serves as the academic leader of the interdisciplinary program. Individual program chair responsibilities will be the same as those of department chairs in each instance where the chair's interdisciplinary program is the functional equivalent of a department. (See Article XI, Section N.3.)

4. Miscellaneous Provisions

Eligibility and selection of program chairs will follow the process outlines for department chairs. The procedure for removal of the program chair will also follow the guidelines for department chairs. Evaluation of program chairs will also follow the department chair process outlined in Article XI, Section N.3.

5. Compensation

Interdisciplinary program chairs will receive annual stipends and reassigned time according to the schedule below. The College and the Association agree that while responsibilities on Interdisciplinary Program Chairs are similar to those of Department Chairs, the workloads differ enough to justify different compensations schedules.

<b>Interdisciplinary Program</b>	<b>Annual Reassigned Time</b>	<b>Annual Stipend</b>
American Studies	4 credits	\$3500
General Science	8 credits	\$3500
Holocaust and Genocide Studies	8 credits	\$3500
Social Science	8 credits	\$3500
Women's Studies	8 credits	\$3500

P. College committee workloads and limitations

1. For tenure purposes and for promotions prior to tenure, the College, DPEC and FEAC will only consider service on up to an average of two (2) college-wide committees (non-departmental) per year. Service beyond the two committee per year average shall have no bearing on such decisions.
2. First-year faculty members in this bargaining unit, who have no prior service credit, will have no other service obligations beyond the usual departmental obligations and first-year faculty orientation. These faculty shall not participate in DPEC.
3. Untenured faculty members will not be required to chair any college-wide committees but such service may be considered for promotion or tenure.

Q. KSCEA and the College agree that ongoing and systematic documentation of student learning and reflection on what is learned from the assessment process is essential both for improvement of teaching and learning, curriculum revision and external accountability. To support the work of faculty in completing evidence-based decision making about programs and curriculum, the College will identify two days during the contractual period for departments to complete the work of outcomes-based assessment. While the collection of data, evidence or other materials necessary for systematic reflection should be routine and occur throughout the academic year, there is no expectation that the analysis and interpretation of the evidence by the department will exceed the days set aside for this purpose.

1. Because the Integrative Studies Program is a new and developing initiative, funding will be allocated annually for the life of this contract to compensate the faculty for completing outcomes-based assessment of the program (based on a schedule determined by the Associate Provost and Assessment Steering Committee). However, the parties agree that some of the ISP work may occur outside the contractual period.
2. This provision reaffirms the KSCEA/KSC Assessment Statement approved by the parties on November 20, 2008 and in the MOU on Page 42 of this agreement. The College will allocate funding, consistent with the Assessment Statement, each year to support faculty assessment work.
  - a. These funds will be allocated by the Assessment Steering Committee, composed of three (3) elected faculty, one (1) from each School, and three (3) appointed representatives of the Provost and one (1) representative from the KSCEA for a total of seven (7) members.
  - b. Specific guidelines for the committee will be developed by the steering committee. These guidelines and any changes will be subject to ratification by both the KSCEA Executive Board and the Provost. In general these monies are designated to assist departments/programs course-based and programmatic assessment activities.
  - c. These funds are intended to be used for such things but not limited to: conference costs, assessment instruments, consultants, and buying a one course reduction per year per department/program so a faculty member can focus on their department or program's assessment.
3. Faculty members are entitled and encouraged, but not required, to use assessment work as appropriate in their portfolio to document teaching effectiveness, scholarship and/or service.
4. Departments are responsible for curricular revisions resulting from assessment discussions.
5. The College will work with departments to provide appropriate resources and professional development experiences for faculty engaged in assessment activities.
6. Since programmatic learning outcomes assessment is about self-improvement, administrative intervention and involvement will be limited to collecting information from departments that 1) ensures that programmatic assessment is ongoing and 2) allows the College to meet federal, state or other accreditation requirements.

**Article XII**  
**WORK YEAR**

- A. For teaching faculty, the work year shall begin the Monday of the week before classes begin and shall end two (2) weeks after the final day of examinations for the spring semester.
- B. For library faculty, the normal work year shall be on a continuous year round basis.
  1. The exception shall be that, on an internally-established schedule approved by the Provost, one (1) librarian per year shall be able to take a leave without pay for the period beginning three (3) weeks after the final day of examinations for the spring semester and ending one (1) week prior to registration for the fall semester.
  2. Library faculty vacation
    - a. Library faculty shall receive thirty (30) days of paid vacation per calendar year (January 1 to December 31).  
  
Library faculty shall be eligible to carry over a maximum of five (5) days of vacation from one calendar year to the next.
    - b. Notwithstanding the above, the following applies to library faculty receiving sabbaticals:

- i. Library faculty will not receive additional vacation during sabbaticals.
- ii. Library faculty on full year sabbatical will have their pre-sabbatical vacation balance restored upon return from the sabbatical.
- iii. Library faculty on a half-year sabbatical will be provided with up to five days of their unused vacations from prior to the sabbatical period plus the new year 30 day allotment effective immediately upon their return.

As provide in the previous agreement and continuing through this agreement, the in-patient hospital co-pay will be \$100 and the outpatient will be \$50.

The USNH policy requiring a retired faculty member to pay 50% of the premium for dependent health insurance after three years for a dependent under age 65 (as described in USNH policy USY-V-A 7.4.4.2 will not apply to unit members.

The faculty at Keene State College may designate a representative to the USNH System Personnel Policy Council which regularly proposes benefits modifications and makes recommendations to the Administrative Board. Should a committee be established to examine levels of benefits in other institutions of higher learning in comparison to the University System of New Hampshire, the Association shall send a representative to serve on the committee.

A. Medical Benefits

1. Employees shall be permitted to select from any of the medical options included in the University System Flexible Benefits Plan. Premium contributions made by USNH to other existing medical insurance plans shall be the same as those described for the period from January 1, 2007 onward. The employee/employer contribution to medical plan Option B will be calculated based on the formula described below.

Employer/Employee Contribution Formula

Effective January 1, 2009, the percentages will be as follows:

<i>Employer</i>	<i>Employee</i>
<i>Single</i> 84%	16%
<i>Two</i> 79%	21%
<i>Family</i> 77%	23%

The employer shall also provide an HMO plan and shall subsidize the selection of such HMO by a Faculty member in the following manner until December 31, 2006. A faculty member who selects the designated HMO shall contribute towards the premiums at the following premium contribution rates:

<i>Employer</i>	<i>Employee</i>
<i>Single</i> 90%	10%
<i>Two Person</i> 86%	14%
<i>Family</i> 82%	18%

These rates of contribution will apply to any medical plan offering whose total premium rates are below those of Option B.

2. The employer shall be free, in its discretion, to offer new plans for faculty to select in addition to those offered as of the effective date of this Agreement.

Significant modifications to the level of coverage or to the internal fees and co-payments required for Option B will trigger a meet and discuss obligation between the parties in those cases where the employer is proposing changes.

No agreement shall mean no change in Option B.

The parties agree that there is no obligation to negotiate in cases where an insurance carrier, at its own initiative, unilaterally changes the Option B plan in a way which reduces the level of coverage or increases the internal fees and required co-payments and imposes such changes on the employer and where there is no alternative plan for Option B that maintains or exceeds current coverage or maintains or reduces internal fees and co-payments.

The parties also agree that there shall be no obligation to negotiate in cases where plans must be modified due to changes in law or external regulation.

In cases where the impetus for change in Option B comes from the carrier and choices are offered to the employer, the parties will immediately commence negotiations over the choices. Where the parties cannot reach agreement within 30 days of the date upon which the Association is notified of the proposed changes, then the carrier choice that provides the closest coverage (same or above) for Option B will be selected.

With regard to health plans other than Option B, whenever a carrier indicates that there will be significant modifications to the level of coverage or to the internal fees and co-payments required for such plans, the employer will negotiate such proposed changes and any alternatives with the Association. Where the parties cannot reach an agreement within 30 days of the date upon which the Association is notified of the proposed changes, then the carrier choice that provides the closest coverage (same or above) will be selected.

**B. Other Supplemental Compensation**

The parties agree that those moneys specified by employees may be placed in "pre-tax" accounts to be used to cover non-reimbursed medical costs and dependent care. Such deposits may be made up to, and including, the maximum amount permitted by law.

**C. Retirement**

1. Contributions: Faculty members will continue to be eligible for contributions to retirement the same as described in University System benefit policy as of 7-1-06, except that there will be no "waiting period" in order to be eligible for the standard option retirement contribution of 10% plus 1% for "ARC." On or before March 31, 1995, such faculty members made a written selection of either the Medicare supplemental plan or ARC (Additional Retirement Contribution). Plan selections and eligibility are described in USY-V-A Section 7. If the faculty member did not select ARC, he/she remains in the current Medical supplemental plan, subject to the eligibility requirements of the plan. All other aspects of the USY-V-A Section 7 shall remain the same.

not be covered by the LTD policy for any faculty members approved for long term disability after April 1, 2004.

**Article XXIII**  
**CAREER TRANSITION PLAN AND RETIREMENT OPTIONS**

A. Goal

B. Options

Eligible faculty members who are considering retiring or otherwise leaving the College have the following options:

1. Apply for the Retirement Transition Plan (RTP) (described below) with intention of leaving at the end of the academic year.
2. Apply for the RTP with intention of working the following year on a half time basis at half salary with full benefits with formal retirement made effective July 1 following the delayed departure year; OR work for the Fall semester full time with full salary and full benefits and then leaving the College and receiving the benefits of the plan with formal retirement effective in January following the delayed departure semester. This intent to work half time for the year or full time for the Fall must be stated along with the application for the plan.
3. Faculty who do not receive a Retirement Transition Plan may choose to work half-time during their last year prior to retirement, receiving prorated salary while maintaining full-benefits eligibility.

C. Retirement Transition Plan

The elements of the Retirement Transition Plan are as follows:

1. Eligibility

a. Definitions

*Years of Service* - shall include all years of service at USNH in any benefits eligible capacity. This includes service in capacities other than faculty, but does not include part-time lecturer or other non-benefits eligible service.

*Full-Time* - Full-time service means at a benefit eligible rate of 100%. This is normally 40 weeks for academic year faculty and 260 days for Librarians.

*USNH* - The University System of new Hampshire including Keene State College, Plymouth State University, the College for Lifelong Learning, and the University of New Hampshire.

b. Requirements

A faculty member will be eligible to apply for the Retirement Transition Plan with fifteen (15) or more years of full-time service in the USNH, is a participant in the USNH retirement program, and is at least fifty-five (55) years old. All of these must be applicable as of the effective date of the early Retirement.

2. Application Verification and Notification - Application for RTP must be made by November 15th of any year in order to be considered for RTP effective on July 1st of the next fiscal year. Verification

of the dates of service, age and salary shall be the responsibility of the KSC Human Resources Office. Notification of the “automatic” RTP approval will be made to the faculty member by December 15th following the application date. Faculty must subsequently accept or decline the “automatic” RTP award in writing to the Office of Human Resources no later than January 15th. Retirement Transition Plans provided at the discretion of the institution shall be made and communicated to the affected faculty members no later than February 15th of the year following the application date. Faculty must accept or decline the discretionary RTP award in writing to the Office of Human Resources no later than March 15th. Once received, the RTP acceptance will be irrevocable after twenty-four hours from receipt.

3. Nature of decision - In each fiscal year of the contract the following Retirement Transition Plans will be granted (assuming there are qualified applicants) to those bargaining unit members who apply.
  - a. In the first year of the contract –three (3) Retirement Transition Plans will be provided automatically to the faculty member(s) whose application has the highest eligibility index (based on years of service and age, as described in 1.b above, and fractions thereof). One (1) additional RTP will be provided, from the remaining eligible applications. The Plan shall include compensation and benefits as described for “early retirements” in Article XXIII of the KSCEA Collective Bargaining Agreement 2006-2009.
  - b. In the second year of the contract – four (4) Retirement Transition Plans will be provided automatically to the faculty member(s) whose application has the highest eligibility index (based on years of service and age, as described in 1.b above, and fractions thereof). One (1) additional RTP will be provided, chosen at the College’s discretion from the remaining eligible applications. The Plan shall include compensation and benefits as described in section 4 below.
  - c. The College may at its discretion approve additional Retirement Transition awards above the nine (9) prescribed as above. If fewer than four RTPs are granted in total in year one due to insufficient applications, the unused RTPs shall automatically rollover to year two.
4. Compensation and Benefits
  - a. The faculty member shall receive from the effective date of Retirement an annual stipend for two (2) years (except as noted in sub-section “b” below). The stipend shall be calculated as 50% of the average last two years’ salary. For purposes of this calculation salary shall consist of regular budgeted earnings; any stipend paid for Chairperson duties; or for formal interim appointments as described in University System Policy USY-V-F-8.6.
  - b. Faculty receiving the Retirement Transition Plan may choose to spread the total stipend value over an extended period not to exceed five years.
  - c. Benefits. Approval for a Retirement Transition Plan shall include coverage for health, dental and life insurance until age sixty-five (65) or a maximum of three (3) years, whichever is greater. A faculty member will be responsible for the same premium contribution rates for dental and life insurance as a full time benefits eligible faculty member. The salary rate for calculations of the life insurance benefit will be the last annual salary rate in effect prior to early Retirement or as adjusted to 100% time for those on delayed departure in that final year. Life insurance coverage is subject to the provisions of the plan.

At age 65 or older the faculty member will be covered by USNH retiree medical coverage, if previously elected, or an active medical plan, if retiree medical was not previously elected. These coverages have the same availability and employee contribution rates as is available for full time benefits eligible faculty members.
5. The parties agree that a full-time faculty member who elects to work on a half time basis or work full time for one semester as a phasing into retirement shall be considered a member of the bargaining unit for that one year or one semester. However, there shall be no further evaluations

done during that year nor shall the College have any further duty to notify the faculty member about termination of service. It will be understood that the year of half-time or the one semester at full time work will be considered the final year or semester of employment.

6. Non-grievability - Except as to matters of process, neither the Association nor a faculty member shall have the right to grieve the discretionary denial of an Retirement Transition Plan application.
- D. Adjunct post retirement work option - The parties agree that retirees, including all Retirement Incentive plan recipients, who wish to maintain some work connection with the College, can apply and shall be considered for non-status and non-tenure-track employment. Such a retiree shall work in a non-status capacity. This includes but is not limited to:
- a. As a classroom instructor.
  - b. As an advisor of independent studies.
  - c. As a mentor to new faculty.
  - d. In limited cases, as a member of special curriculum or other committees where the insights of the retiree may be particularly relevant.
  - e. As an advisor to students.
  - f. In some other consultative or service role.
  - g. As an ambassador for the College working with the admissions office in recruiting new students.
  - h. As a representative of the College in system activities such as the study of transferability of credits among USNH institutions and post-secondary NH institutions.

Retirees, at their request, shall be offered a service opportunity with the College for at least the first year following retirement. The payment and duties shall be negotiated between the retiree and the College, provided, however, the minimum payment per semester shall be the equivalent of overload compensation for teaching one three credit course. The offer of work and the rate of pay may be greater by agreement of the retiree and the College. After one year, the decision by the College to continue employment (or not) is completely discretionary.

A faculty member working after retirement shall be dealt with in the same manner and in accordance with the College's policies on adjunct faculty. At no time are such retirees to be considered as members of the bargaining unit for any purpose. Nothing in this agreement shall be construed as an admission by the Board that it has any duty to bargain with the Association over retirees.

**Article XXIV**  
**HEALTH AND SAFETY**

Faculty members shall not be required to work in unsafe or hazardous conditions that may endanger their health, safety or physical well being.

**Article XXV**  
**NO STRIKE OR LOCKOUT**

- A. The Association, on behalf of its officers, agents and members, and all faculty members agree that so long as this Agreement or any written extension hereof is in effect, there shall be no strikes, slow-downs, walkouts, or withholding of services.
- B. Any member of the unit who violates the provisions of this Article will be subject to discipline, including discharge.
- C. The Association agrees to indemnify the College for all expenses and damages that occur as a result of prohibited activity under Section A of this Article when such action is publicly condoned by the Association. In the event of a prohibited strike under this Article, the Association agrees to use every reasonable effort to inform members of the unit of the illegality of such activity and of the Association's policy of opposition to such activity.
- D. The College agrees that it shall not invoke any lockouts for the life of this Agreement or any written extension thereof.

**Article XXVI**  
**SEPARABILITY**

If any provision of this Agreement or any application of the Agreement shall be found contrary to law or invalid by any court of competent jurisdiction or any administrative agency having jurisdiction, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications of this Agreement shall continue in full force and effect.

**Article XXVII**  
**DURATION**

This agreement shall continue in full force and effect from July 1, 2009, until midnight June 30, 2011, and shall be automatically renewed from year to year thereafter, unless by January 5 of the year in which the Agreement is expiring either party notifies the other in writing by registered mail of its desire to terminate or amend the Agreement. All Association proposals, including cost items, shall be presented to the College on or before January 15 of the year in which the Agreement is expiring. The Board shall present its counterproposal no later than April 15 following the timely receipt of the Association's proposal.

**MEMORANDA OF UNDERSTANDING  
BETWEEN THE USNH BOARD OF TRUSTEES AND  
THE KEENE STATE COLLEGE EDUCATION ASSOCIATION**

**1. MEMORANDUM OF AGREEMENT ON ADVISING**

The College and the Association are committed to increasing the effectiveness of academic advising. The College will work with the departments and interdisciplinary programs that offer a major on a flexible approach to advising that will include but not be limited to one or more of the following: 1) increase the number of full-time faculty in the discipline, 2) modify the curriculum so that at least some of the academic advising load will be handled through credit courses, 3) use group advising where this can be effective, and 4) assign faculty from related disciplines with lighter advising loads to advise students in affected disciplines. The College and the Association will also work together to: 1) evaluate current practices in advising; 2) gather systematic data on advising both at Keene and elsewhere; 3) develop the basics of good advising; 4) develop the criteria for good faculty practice; and 5) discuss the possibility of pilot programs for evaluating the effectiveness of faculty members in advising students.

**2. MEMORANDUM OF AGREEMENT ON HEALTH AND DENTAL BENEFITS**

The parties agree that the cost, availability and options concerning health insurance are important compensation issues for the faculty and the college. The parties agree that it would be advantageous for representative(s) of the faculty to participate in exploring health coverage initiatives with the system administration and to share thoughts and information regarding this area. Therefore, during the life of this agreement, representatives of the Association will meet with System representatives to review benefit issues, particularly health coverage options.

**3. MEMORANDUM OF AGREEMENT ON PARKING**

Faculty and staff vehicles with current decals may be parked in commuter lots (use as overflow lots) only if all faculty and staff lots are full. Commuter parking areas are: Madison, South; Madison, North; the Student Center lot (to the north side of the Science Center), the Bruder Street lot, South, and the Winchester Street lot.

**4. MEMORANDUM OF AGREEMENT ON SCIENCE LAB SUPPORT**

For each year covered by this agreement, \$10,000 will be appropriated by the College for expenditures for laboratory support in the School of Sciences and Social Sciences.

**5. MEMORANDUM ON CONFLICT MANAGEMENT**

Unmanaged conflict can be a serious impediment to the realization of the interests of both the faculty and the administration. Conflict may occur in areas and around issues that are not covered by the collective bargaining agreement and thus not subject to the grievance procedure. The parties agree that the management of conflicts between and among members of the Keene State College community may warrant greater and/or more formal attention than is currently devoted to it. They will remain vigilant for areas of concern, mutually seek and jointly consider options and alternatives for the healthy management of conflict.

**6. MEMORANDUM OF AGREEMENT ON FACULTY DINING ROOM**

The parties agree that the faculty-staff dining room provides needed space for on-campus dining at mid-day as well as opportunity for faculty and staff to engage in collegial discussion.

**7. MEMORANDUM OF AGREEMENT ON CDC**

The CDC when filling open slots will give priority to children of KSC faculty, staff and students.

## **8. MEMORANDUM OF AGREEMENT REGARDING DPEC CRITERIA AND STANDARDS OF REVIEW**

KSCEA and the College agree that all parties are served by having clearly established criteria for promotion and tenure evaluations. The parties also understand, however, that these criteria can vary from department to department. In the interest of fairness to the candidate, openness in the process and guidance for evaluators, each department and interdisciplinary program will develop discipline-specific criteria and standards for review by December 2010.

In preparation for department development of these criteria, the Provost will provide models to each department, based on the work of the 2007-2008 Promotion and Tenure Task Force.

The document will be developed in consultation with the Dean and reviewed by the Provost and Deans for consistency of standards across departments and schools. The final versions shall be shared with KSCEA and made available online by February 2011. All new faculty will receive copies of the guidelines for their department and for any interdisciplinary programs in which they teach.

## **9. MEMORANDUM OF AGREEMENT ON PEDAGOGY**

Pedagogy in higher education is in transition as more research is completed on how students learn and the best teaching practices to promote student success. The College may invite participation in pilot programs or trial and experimentation in these techniques, which may be undertaken voluntarily. Non-participation in a pilot or trial will have no bearing on tenure and promotion.

Additionally, the College agrees to provide appropriate resources for professional development experiences that will prepare faculty to participate in a pilot or trial program.

## **10. MEMORANDUM OF AGREEMENT ON DEPARTMENT OF GEOLOGY AND PHYSICS**

The College and the KSCEA agree that beginning in January 2010 and continuing through the life of this contract, Geology and Physics will operate as a single department with Chair stipend and reassigned time appropriate to the FTE in the department according to the contract, to be assigned as the department sees fit. This arrangement will be reviewed at the end of this contract and continued or modified in consultation with faculty, KSCEA and administration.

## **11. MEMORANDUM OF AGREEMENT ON ASSESSMENT**

The KSCEA and KSC agree that programmatic assessment is fundamental to the quality and integrity of our curricula. Assessment of programmatic learning outcomes is a community activity designed to support student learning in a formative manner. This statement provides clarification specific to the individual faculty member's responsibilities and how data collected can, and cannot, be used. This statement will not supercede the collective bargaining agreement (CBA) between the University System and the KSCEA and will not impinge upon faculty's rights and protections regarding academic freedom in the classroom as guaranteed by the CBA.

We also agree that assessment is expected to be a routine activity, embedded in the curricula development and revision processes. As such, faculty are a core component of the ongoing assessment program at the college. The information collected through assessment should be used by the faculty to engage in reflective curricular improvement.

It is expected that each member of the bargaining unit will participate in programmatic assessment. This includes participating in departmental assessment activities, including development of programmatic learning outcomes,

collection of data and subsequent discussions about the data and, ultimately, ways to improve student learning. Assessment techniques should be as unobtrusive as possible and the method of data collection should be generally accepted as appropriate for assessing student learning.

As stated above individual faculty members are expected to participate in course based and programmatic assessment, however, each faculty member will have the right to approve the method of program assessment that occurs in their courses, teaching, or content areas, based on department discussions. Results of programmatic assessment activities conducted in individual courses will not identify specific faculty or be used punitively in formal peer evaluation processes, course assignments, committee work and in any other facet of a faculty member's worklife at KSC. However, recognizing the critical role of assessment in supporting the curricular transformation necessary to support effective teaching and learning at KSC, a faculty member's participation or decision not to participate in assessment activities can be considered.

Faculty are also encouraged to participate in course-based assessment for all courses they teach, evaluating whether the student learning outcomes for the course were met. Individual faculty members can choose the method of assessment to be used in their courses. Course-based assessment activities are for the benefit of the faculty member, the results for personal use, self-improvement, and to support departmental curricular revisions, where appropriate. By its very nature, assessment addresses the dual dynamic of teaching and learning on both the part of the student and the teacher.

Since participation in programmatic and course-based assessment is expected of all faculty members, the degree of participation can be considered during faculty evaluations for promotion and tenure. A faculty member's participation will be considered with other teaching and service responsibilities. However as stated above the results from both forms of assessment may not be used in this evaluation. If a faculty member chooses to engage in the scholarship of academic assessment, these activities will also be considered during promotion and tenure evaluations. In fact, it is conceivable that a faculty member's work in assessment might be used to demonstrate effectiveness in teaching, service and/or scholarship. (A decision not to participate in the scholarship of assessment may not be used as a criterion for promotion and tenure evaluations.)

Departments and the College will take measures to insure that the results of specific programmatic assessment, or a cycle of programmatic assessment activities, will not be available by individual course or faculty member in any form. Given that circumstances don't always allow anonymity, if this information is obtained it will not be introduced into promotion and tenure considerations. The results of programmatic and course-specific assessment activities are expected to support reflective curricular transformation and active and ongoing professional development for the faculty member.

Specifically, if the administration, department chair or other faculty obtain assessment results associated with an individual course or faculty member, these results will not be used to justify reassignment of courses, reassignment of other faculty duties, or participation a specific program.

Further:

- Faculty members are entitled and encouraged, but not required, to use assessment work as appropriate in their portfolio to document teaching effectiveness, scholarship and/or service.
- Departments are responsible for curricular revisions resulting from assessment discussions.
- The College will work with departments to provide appropriate resources and professional development experiences for faculty engaged in assessment activities.
- Since programmatic learning outcomes assessment is about self-improvement, administrative intervention and involvement will be limited to collecting information from departments that 1) ensures that programmatic assessment is ongoing and 2) allows the College to meet federal, state or other accreditation requirements.

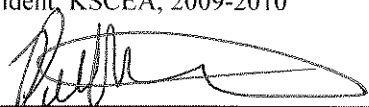

- The College will establish an Assessment Development Pool setting aside specified funds each year starting July 1, 2009. These monies will allow faculty members and departments/programs to apply for money to fund programmatic and course-based assessment efforts as required by NEASC. These funds are not to replace existing funds provided by the Provost's office for NCATE, VSA, Integrative Studies and other continuing forms of programmatic accreditation or any other college activity or program for which funds are presently allocated.
  - These funds will be allocated by the Assessment Steering Committee, three elected faculty, one from each School, and three appointed representatives of the Provost and one representative from the KSCEA (Seven members total).
  - Specific guidelines for the committee will be developed by the steering committee by October 31, 2009. These guidelines will be subject to ratification by both the KSCEA Executive Board and the Provost. In general these monies are designed to assist departments/programs with course-based and programmatic assessment activities.
  - These funds are intended, but not limited to, such things as: conference costs, assessment instruments, consultants, summer stipends, and buying a one course reduction so faculty members can focus on their department or program's assessment.
