

## **Campus Email Addresses**

In Banner HR, Campus E-mail addresses are now being updated via feeds from the various campus email systems. The exception is KSC, who will continue to update the Campus E-mail addresses thru Banner HR. This means that the Campus e-mail addresses are no longer updated thru WISE or thru the Campus HR offices (except KSC). Employees wishing to update their Campus E-Mail addresses should now contact the appropriate office listed below. Note: This does not include Campus mailing addresses, only E-mail addresses.
