

## **Corrected \*HEXPT EPAF Cheatsheet**

One of our users recently pointed out to us that we referenced the same PEAEMPL ECLS code [10] on both the \*HEXFT and \*HEXPT EPAF cheatsheets. The \*HEXPT cheatsheet has been updated to reflect the use of the PEAEMPL ECLS of 10 if the employee's percent time is >74% and 15 if the employee's percent time is 50 -75%.
