

Monday EPAF Deadlines

We have discovered that due to the 11 a.m. shutdown of NOPEAMA on 'Payroll Mondays', EPAFs must be in an Approved status about 15 minutes earlier than publicized (at around 10:45 a.m.) This is because the last run of NOPEAMA occurs about 15 minutes before 11 so that it can shutdown at 11. Therefore, to guarantee an EPAF gets through NOPEAMA on a 'Payroll Monday' the EPAF should be in 'Approved' status no later than 10:45 a.m.
