

2023 Adjunct Faculty and Staff Medical Plan Overview

It's Time for 2023 Medical Enrollment!

University System of New Hampshire (USNH) Adjunct Faculty and Staff Medical Open Enrollment is **October 31 – November 11, 2022**. This is your annual chance to review the USNH Adjunct Open Access Plus Plan and elect medical coverage for you and your family starting January 1, 2023. Medical Open Enrollment is the only time you can enroll in or change your medical coverage for 2023, unless you have a qualified change of status during the year (such as marriage, divorce, or the birth/adoption of a child).

If you don't want to enroll in or make changes to your current coverage, you do not have to take any action. If you are currently enrolled in the Adjunct Open Access Plus Plan, your current coverage with the new rates will continue automatically next year, effective January 1, 2023.

Eligibility

If you worked an average of 30 hours or more per week from October 2021 to October 2022, you are eligible to enroll in the Adjunct Open Access Plus Plan. To maintain your coverage eligibility, you must be actively working during 2023.

2023 Monthly Medical Cost

Employee Only	\$197.47
Employee + Spouse	\$1,115.10
Employee + Child/Children	\$867.31
Family	\$1,658.88

If you elect 2023 medical coverage, **WEX**—the company that handles medical coverage invoicing—will bill you directly. All payments to WEX are due the first day of the coverage month.

Adjunct Open Access Plus Plan

The Adjunct Open Access Plus Plan is a high-deductible health plan. You have the option to receive care in-network or out-of-network. You will pay the full cost of care until you meet your annual deductible. Then, you and the plan share the cost of your care through coinsurance, until you meet your annual out-of-pocket maximum.

Adjunct Open Access Plus Plan Features

- **Choice.** While it's always a good idea to have a primary care provider (PCP) to help oversee and coordinate your medical care, the plan doesn't require you to have one. You can see any provider (including specialists) without a referral.
- **National network.** You have access to Cigna's national network of providers for in-network care. You're likely to pay more for care if you receive it from out-of-network providers, since in-network providers discount their fees.
- **No-cost preventive care.** There's no cost to you for in-network preventive care, including your annual physical and routine immunizations.
- **Fitness benefit.** Get reimbursed up to \$300 per family per calendar year for eligible fitness expenses. Just pay for your eligible fitness expense, submit your paid receipt to Cigna with a completed USNH Fitness Reimbursement Program Form, and you will be reimbursed through payroll up to \$300.
- **Tools and resources.** Take advantage of Cigna's many resources to help you receive high-quality care at affordable rates—including a 24/7 nurse line, telehealth services, online therapy, and more. Visit mycigna.com for more information.
