Notes:

- Rates are based on a snapshot in time during fall/spring semester and do not include summer or winter/January terms.
- Rates are based on 3- or 4-credit undergraduate credit-bearing courses and do not include: professional development or other non-credit-bearing courses; low-enrollment courses; additional stipends/appointments; highly specialized programs of study; mentoring; internships; field work; independent study; thesis; labs; or similar coursework.
- The [KSC Adjunct Association collective bargaining agreement](#) and [PSU Undergraduate Teaching Lecturers collective bargaining agreement](#) apply to adjunct faculty with at least four semesters of teaching experience at the institution. The collective bargaining agreements may require additional pay adjustments that are not included in the rates listed above.
