Dear Colleagues –

Our top priority remains the health and well-being of every member of our community. Employees who are working remotely should continue to do so until further notice. We will continue to release updates to your USNH email.

As you know there has been significant legislation related to COVID-19. We have been working on implementing provisions of the legislation and have posted information on all the benefits available through the CARES Act to help support you and your family during this difficult time.

If you have specific questions, please reach out to your supervisor or Human Resources.

Thank you for all your flexibility and patience during these challenging times. We are working hard to balance USNH's fiscal health while caring for our employees.

Best,  
Jim
