Subject: Office Update
Date: Thursday, April 30, 2020 2:24:09 PM

Dear Colleagues –

We remain committed to your health and wellbeing by encouraging COVID-19 safety precautions, including remote working. Governor Sununu is expected to release a statement tomorrow pertaining to the status of the Stay-at-Home order, set to expire on May 4th. The System office will uphold State recommendations while continuing to operate at its best capacity. While preliminary plans are being discussed regarding return to work policies and procedures, for now it is anticipated that remote working will continue until further notice. Staff who need to come into the office to access specific work or technology on a limited basis can do so by notifying their supervisor and following all social distancing protocols when on site.

We will provide more updates at our Town Hall Zoom meeting on Wednesday. David and the Wellness Committee are finalizing the May Wellness newsletter; in it you will find useful information and links to maximize healthy remote working practices. As always, if you have any questions or concerns related to your current working experience, please reach out to your supervisor or HR.

Best,
Jim
