Minutes of the Meeting of July 23: Trustee Eastwood moved the following motion, which was seconded by Trustee Burnett and unanimously adopted by the Executive Committee:

**VOTED, that the Executive Committee approve the minutes of the Executive Committee meeting of July 23, 2020, as presented.**
UNH Town Hall Meeting with Citizens of Durham and Surrounding Communities: The Chair called on UNH Provost Wayne Jones to brief the Executive Committee on last week’s UNH Town Hall meeting. Provost Jones said the approximately 1,400 participants included mostly students and parents and was respectful and informative. He added that a message went today to the internal university community with updates intended mostly for faculty. Presidents Birx and Treadwell provided similar updates for their institutions – each have communicated in numerous ways including town hall meetings, broadcast emails, social media, and newsletters.

Questions about Testing Protocols from Previous Meeting: At Chair Morone’s invitation Marion McCord from UNH answered several questions leftover from the previous meeting of the Executive Committee about testing and UNH’s plan to develop the capacity to conduct the analysis in-house.

Presentation on Tracing Protocols and Triggers: President Treadwell and the COVID Coordinating Council team working on tracing protocols presented a report on the status of their work. They have made progress in discussions with DHHS seeking assurances the tracing provided by the state will be sufficient and timely. They have reached agreement on some support the USNH institutions will be able to provide without assuming responsibility for tracing. Each institution has established a rapid case management team that will provide the support to DHHS. There followed a discussion of the mechanics of quarantine and isolation and the preparations being made by the residential institutions. Finally, President Treadwell led a brief description and discussion of the efforts to develop triggers and a dashboard presentation of the metrics that will underpin the triggers. The campuses have concepts they are working on but there is more work to be done before the triggers, metrics, and dashboards will be ready for use.

Board Meeting Schedule for Review of Checklist and Vote: Chair Morone proposed postponement of the special meeting of the Board of Trustees, scheduled for Thursday July 30, to the following Tuesday, August 4, beginning at 4 pm. After substantial discussion and accomplishment of an apparent consensus, the Chair confirmed the changed meeting plan.

Adjourn: At 6:10 pm, Chair Morone called for further business and, hearing none, called for a motion to adjourn the meeting. The motion was duly moved, seconded, and unanimously approved. The meeting was adjourned.
